Dear Abdul Zaheer MOHAMMAD

Notification of grant of a Student (Temporary) (class TU) Higher Education Sector (subclass 573) visa

I wish to advise that a decision has been made on this application and visas have been granted on 26 February 2015 to the applicant(s) listed in the attached Visa Grant Notice, which contains important information about your visa(s).

Please keep a copy of this letter and the Visa Grant Notice in a safe place for your reference.

Please note: if your application contained multiple applicants, each applicant that has been granted a visa will be sent their own Visa Grant Notice. Any other applicants should not make arrangements to travel to Australia unless they have received their own Visa Grant Notice.

The date on this notification, and the date of visa grant, are according to Australian Eastern Standard Time [UTC +10] (incorporating Daylight Saving Time [UTC +11], if applicable) on the relevant day. Depending on your location, these dates may differ by one day from your local date and may be in the future. Despite this, your Australian visa is already in effect - there is no need to delay travel to Australia until the commencement of the later day.

If you intend to change your course or education provider you need to ensure you continue to meet the conditions of your visa. Further information about this can be found at www.immi.gov.au/Study/Pages/changing-courses.aspx

More information on visa conditions and entitlements is available at www.immi.gov.au/myvisa/vevo

Maintaining a valid visa

Your visa allows you multiple entries to Australia until 15 March 2017. Your visa expires on 15 March 2017. You will need to leave Australia or make alternative arrangements with the department before this date or you will become unlawful. If you think you will not be able to depart Australia by the date your visa expires, you should contact the department as soon as possible.

More information is available at www.immi.gov.au/csrs

Australia is visa label-free

Australia's electronic visa system does not require you to have a visa label placed in your passport. More information is available at www.immi.gov.au/visa-labels

You can access your visa information at any time using **Visa Entitlement Verification Online (VEVO)**, a free web-based service available 24 hours a day, seven (7) days a week.

Foreign governments have been informed about Australia's label-free policy and airline staff will electronically confirm you have a valid visa before you board the plane to travel to Australia.

Most countries have specific entry, exit and visa requirements. If you are transiting or exiting through another country, it is your responsibility to check with the relevant government authorities. The Australian Government cannot advise on other countries' requirements.

Welfare arrangements

Students under 18 years of age need to have adequate arrangements for their welfare in Australia.

The department bears no responsibility for welfare arrangements made on a student's behalf. It is the responsibility of the parents or legal guardians of a student under the age of 18 to ensure that the arrangements that they made on the student's behalf provide appropriate welfare for the entirety of the student's stay in Australia while they are under the age of 18. If welfare arrangements break down the parents or legal guardians must make new welfare arrangements or the student under the age of 18 must depart Australia. It is a visa requirement that appropriate welfare arrangements are maintained while the student is under the age of 18.

Polio vaccinations

On 5 May 2014, the World Health Organization (WHO) Director General declared the recent international spread of wild type polio virus to be a Public Health Emergency of International Concern under the International Health Regulations (IHR). Ten countries, listed below, have been identified as having suffered recent outbreaks of polio.

If you are from one of the countries listed below, or have spent 28 days or longer in these countries on or after 5 May 2014 we encourage you to have a polio vaccination prior to departing for Australia. Having the vaccination will also assist in eradicating the spread of polio.

To obtain maximum benefit in assisting with the eradication of the spread of polio, it is advisable to have the vaccination at least 4 weeks prior to your travel.

Countries: Afghanistan, Cameroon, Equatorial Guinea, Ethiopia, Iraq, Israel, Nigeria, Pakistan, Somalia, Syria

Further information is available from www.immi.gov.au/allforms/health-requirements/threats-public-health.htm

Health insurance

Your visa has been granted with condition 8501 which means that you must maintain adequate arrangements for health insurance (generally Overseas Student Health Cover) while you are in Australia on this visa. You must not enter Australia before your Overseas Student Health Cover has begun. You must not remain in Australia on this visa after your Overseas Student Health Cover has expired.
